Features Key:

- Difficulty Settings - Choose from 4 difficulty presets. Goalkeeper controls more with a more aggressive style of gameplay.
- New Commentary - FIFA League of Legends, Goalkeeper and Broadcast commentators. Professional commentators combined with a completely new mode allows for a deeper understanding of the strategy and goals of soccer.
- Advanced Ball Physics - Completely redone ball physics system. Improved collision mesh, its dynamics and surface flexibility used on the official ball, making it more unpredictable.
- All-new Player Celebration System. You can now perform Player Celebration after scoring from a distance. Celebrations are more replay-worthy and fun.
- All-new Player Movement - Players now have correct goalkeeper awareness movements. Defenders are faster and no longer get stuck in one place. They have their own movement pattern making them more difficult to track.
- Improved Crowd Elements - As always, the ability to tune individual crowds and create authentic stadiums. Changes include new crowd reactions like "Applause", "Cheering" and "Crowd Swarming". The entire crowd features a new atmosphere and environment designed by TÜV Rheinland.
- Referee AI System - UEFA Referee's entire on-field decision-making has been improved. The match AI has also been improved to more accurately alter behavior and actions of the ball and surrounding players.
- UEFA Champions League - Choose from 32 teams from 32 of the most popular clubs from around the world including FC Barcelona, Liverpool FC and Real Madrid to compete in the most intriguing single-season club competition in modern-day football.
- Target Practice - Head to your local range and sink some shots. Or try out Fantasy FC, a brand new mode taking the popular element of Fantasy Leagues and putting it directly into the game.
- Legacy Online - the totally revitalized online functionality for current players.
