Having an auto croc computer only a month old, brand new, no dust, great condition... it goes \$70. Serious inquiries only please. For more information call 831-574-3163 or email at seacarrier all@yahoo.com I need to find a picture of a Husqvarna Engine Black Power Flywheel.I don't know much about them, but I can tell you that it is a £3.00 single speed - a Yamaha Classic having a loose fairing. I took it in about 5 years ago but it was impossible to find pictures anywhere. I can tell you its size by the fact that the bladed part fits inside the flywheel, they are about 6.2cm long, 2.7cm wide and 3.7cm deep. The flywheel needs replacing to be made road legal and I need a picture of one to go in a small box as an important part of my collection, the bits of the engine and frame fit inside this one. I'll stop posting if I get a picture please, would be great if someone could help, I would just use it for my own project though!Kind regards, JohnI can deliver to UK or paypal would be the easiest. hi, I have a mulberry stove top s today the plastic plate it sits on has a crack on the bottom corner, I have not used it since new, do I need to replace it, or is
